Help Make a Difference—Donate Today to the TAE Book Drive and Food Drive

Tau Alpha Epsilon (TAE), LAVC's honor society, is holding two philanthropic donation drives—a book drive and a food drive—from now until May 30. The Book Drive, which is being held in partnership with Better World Books to benefit literacy efforts in Africa and around the world, is accepting new and used books and textbooks. Donations may be left in the large green collection boxes in the following locations: Library, Cafeteria, Writing Center, EOPS/CARE Tutoring Center, ASU Office, and the English Department's Conference Room. The Food Drive, which is in partnership with the Los Angeles Regional Food Bank, will help to provide meals and basic products to the needy. Donations of nonperishable food items (such as canned tuna, sardines, stew, soups, cereals, nuts, applesauce, sugar, peanut butter, jelly, pancake mix, rice, and pasta) and personal care items (such as toothpaste, shampoo, soap, and deodorants) can be dropped off in the Foodbank barrels in the Administrations Building, English Department Office, Library and EOPS/CARE Tutoring Center. For more information, contact TAE at tae.lavc@gmail.com.

Construction Update – Partial Closures of Parking Lot G & College Road North

The west side of Parking Lot G (off Burbank Boulevard and Ethel Avenue) will temporarily be closed until October 2010 to begin construction of the college's new tennis courts, and the entrance to College Road North off Campus Drive will be closed until November 2010 as part of the construction area for the college's new Family Resource Center. During the construction of the tennis courts, the east side of Parking Lot G will remain open, and vehicles will be able to access the lot from Burbank Boulevard and from Coldwater Canyon Extension. In addition, existing pedestrian access should remain accessible throughout the duration of the project. The Family Resource Center's construction staging area will be located near the intersection of College Road North and Campus Drive. The northern stretch of College Road North will now be accessible from the Parking Lot B entrance off Fulton Avenue. To view the impacted areas on the campus map, visit <http://www.lavc.edu/map/>.

LAVC Received the Give Award from the American Red Cross

The American Red Cross recently awarded LAVC with its Give Award at the American Red Cross Blood Services Sponsor Recognition Ceremony in Northridge. The Give Award is given to blood drive sponsors with the greatest percentage increase of collected units of blood from the previous year. This is the first time that the college has received this award. Due to the hard work and dedication of Sonia Nodal and Maria Sandoval, the American Red Cross was able to collect 253 units of blood during 2009, and 50 units of blood in the first blood drive of 2010. LAVC had an increase in the number of blood units of 150% from 2008-2009. Every unit of blood can potentially save the lives of up to 3 people, and the units collected have been able to save the lives of up to 909 patients. The Student Health Center and the American Red Cross would like to thank everyone who donated blood during the campus blood drives.

Local Businessman Ray Vega Donated \$3000 to LAVC's Puente Club/Program

Mr. Ray Vega, owner of Casa Vega Restaurant and a member of the LAVC Foundation Board, has recently donated \$3000 to the Puente Club/Program. The donated funds will be used to help underwrite the group's annual Northern University College Tour, and will also be used to fund Puente scholarships in his name. The Puente Club/Program would like to thank Mr. Vega for his generosity.
