Don't forget to sign up for Online Safety Marshal Training

There is still time to sign up for the online "Safety Marshal Training" through Etudes. LAVC faculty and staff are encouraged to take this online course, which will familiarize them with the role of a campus safety marshal in a campus emergency. The primary role of a safety marshal is to evacuate and preserve life after a major emergency. Participants will learn emergency response requirements, develop the ability to respond and assist the campus during a second- or third-level disaster, and learn how to evacuate and secure buildings which may be unstable as a result of the emergency. The course will also provide an overview of the Emergency Operations Plan, how the Emergency Operations Center functions within the plan, and some basic first aid training. To sign up, contact Raul D. Gonzalez at (818) 947-2606.
