Attention Campus Community! LAVC's Fulton Avenue Entrance will be Temporarily Closed for the First Two Weeks of the Fall Semester

From September 2-12, the College Sheriff will temporarily close the driveway to the main Fulton Avenue college entrance (at Hatteras Street), and will block off all left turns into the campus from southbound lanes of Fulton Avenue and from the eastbound lanes of Burbank Boulevard to help ease traffic congestion at the beginning of the semester. In addition, it will have officers and cadets stationed at the entrance of all student parking lots (Lots A, B, C, D, F, G, L and M) from Monday-Thursday between 7 a.m.-1 p.m. and 4-10 p.m. to help direct traffic and close full parking lots. During the first two weeks of the semester:

- Access will still be available to Access Services Paratransit Vehicles to the disabled student drop-off and pick-up location.
- Access to staff parking in College Road North and College Road South, and the disabled student drop-off and pick-up location in the main entrance circle will only be accessible from the Burbank Avenue entrance to Lot A entrance and the Fulton Avenue entrance to Lot B.
- If the parking lot is closed, faculty/staff must show their valid Valley College parking permit to the officer or cadet stationed at the parking lot entrance.
- All staff lots will be made available to students after 7 p.m. in an effort to provide as much parking as possible.

All students will be given a two-week grace period for parking (in student lots only); however, parking permits will be required at all times in faculty/staff parking areas. Students are encouraged to purchase their parking permit from the [LAVC Business Office](#). All legal violations will be enforced. Don't Miss the LAVC Art Gallery's "Student Art Show 2014" Exhibition; Exhibit Reopens on September 2

The LAVC Art Gallery is presenting its annual exhibition of student work entitled the "Student Art Show" from May 22-29 in the LAVC Art Gallery. The Student Art Show, which will open again from September 2-18, highlights the tremendous range of artworks created by Los Angeles Valley College students during the 2013-2014 academic year. Juried by the art and photojournalism faculty, the selected works are among exemplary pieces produced in courses taught within the art department that span a wide range of disciplines in the visual arts such as drawing, painting, design, illustration, photography, printmaking, three-dimensional design, sculpture and ceramics. Students of diverse backgrounds, both art majors and non-art ones, remarkably demonstrate a variety of approaches to material, methodology, and subject matter, revealing the successful outcome of a comprehensive art program. At the same time, each artwork reflects the very unique and nuanced style of individual students. Whether at the beginning, intermediate or advanced level, the works on display collectively exhibit a thorough exploration of artistic expressions. The event is free to the public. The LAVC Art Gallery is located in the Art Building; parking is available in Parking Lot B and C. The Art Gallery will be closed on Labor Day. For more information and its hours of operation, contact the LAVC Art Gallery at (818) 778-5536 or visit www.lavc.edu/arts/artgallery.html.
