2. **GradGuru** App:
Select Los Angeles Valley College
Use your Student ID Number to login.

Download today from the APP Store and Google Play
The right information, at the right time, can change everything!

LOS ANGELES VALLEY COLLEGE

INFORMATION TO GET YOU STARTED FOR SPRING 2019

Welcome to Spring 2019!

As you navigate through the first few weeks of the semester, we want to answer any questions you may have. We're happy you are here and we hope this information is helpful.

Detailed information is available on our website. Go to: www.lavc.edu
On the left-side menu, click "Current Students." This directory should link you to all student concerns.

1. **Is it too late to apply?** **No.** Apply online today. It will take a few days for your application to be processed; however, you should go to class the first day of instruction and get a permission number from the instructor. When your application is processed, go online to www.lavc.edu and click REGISTER in the top right hand corner of the page www.mycollege.laccd.edu and add yourself to a class using the Permission Number you received from the instructor.
2. **How do I add classes?** Beginning the first day of class, you can only add full-term classes with a permission number from the instructor. Once you have a permission number, login to the Student Information System (SIS) Portal and use the permission number to add the class.
3. **How do I drop classes?** **You** are responsible for dropping classes. You can drop classes online by logging into the SIS Portal. Be sure to check the Schedule of Classes, for the **Academic Calendar—Dates and Deadlines** to ensure you drop classes on-time and don't incur fees, get a "W," or substandard grade.
4. **Can I still apply for Financial Aid?** **Yes.** Follow the directions on the Financial Aid website: www.lavc.edu/financialaid. You will need to submit a 2018-2019 FAFSA (fafsa.ed.gov) and additional documents. After **all** required documents are received, completed, and reviewed, you will be notified. If awarded funds, it may take up to six weeks to fund.
5. **When can I expect my Financial Aid money?** If you have already received your award letter, have active/eligible units, and are making satisfactory academic progress, **the first disbursement will be Thursday, February 7, 2019.** Disbursements will then continue on a weekly basis.
6. **How do I pay for classes?** Log on to the student portal to pay for classes or go to the Business Office located in the Student Union. The Business Office does not accept personal checks. The office is open from 8:00am—3:45pm daily, except from 2/4/19 - 2/14/19. See reverse side for extended hours.
7. **Are there ATM machines on campus?** There is an ATM machine in the Student Union.
8. **Where can I eat?** Grab a snack and coffee at the Lion's Café or get breakfast and lunch at the Cafeteria. Both are located in the Student Union. The hours are listed on the reverse side.
9. **Where do I get a Student ID Card?** You can get a Student ID Card in the Office of Admission & Records, located on the 1st floor of the Student Services Center. You'll need a student ID for use in the Library and other campus locations. ID cards do not expire. If you lose your ID and need a rush replacement ID, pay the \$10 fee in the Business Office. Take the receipt to Records counter, located in Admissions & Records to get your new ID.
10. **How do I get tutoring help?** The Library/Academic Resource Center has a Math lab, Writing Center, and General Tutoring Lab for students. **These services are free, and we encourage you to use them!**
11. **How do I find my classes?** You can find your class location by looking at your class schedule on the SIS Portal (mobile or website). Campus maps are available on the website and around campus. Go to www.lavc.edu/map.
12. **Where do I buy my books?** Books can be purchased or rented from the campus bookstore. Books can also be bought on-line or at other retailers. Make sure you check with your instructor for the correct title and edition.
