Facilities Planning Committee meetings

October 9 and 30, 1:30 pm - 3:00 pm

Location: ACA 2504

Please join us in planning the future of our campus! We will be looking at the Facilities Master Plan for 2020-2040 and discussing how we want our campus to look, as well as the location of new buildings, green spaces, and the like. Much work has already been done, but before the plan moves forward in the process, we have this one last chance to provide input on the layout of our community. Please join us and let your voice be heard!!

LACCD encourages persons with disabilities to participate in its programs and activities.
