Welcome
Back From
Administrative
Services!

Administrative Services welcomes you back for Spring 2017 at Valley. For those new members of the Valley family, Administrative Services is comprised of departments which serve to support the business and facilities operations of Los Angeles Valley College. Our mission is to provide essential support services necessary to achieve the teaching and public service goals at LAVC. All members of the Administrative Services team are committed to providing services and facilities to enrich a quality learning environment which advances education, technology, scholarship, and public service.

Construction Updates

Administration & Career Advancement (ACA) building construction project is complete and the building is fully operational, housing the LAVC President's Office, Foundation, Institutional Effectiveness Office, Public Relations Office, Academic Affairs, Administrative Services, Reprographics, Master Calendar, Mailroom, Workforce Training and Development, the Academic Senate Office, CalWORKs, and Continuing Education. Valley Academic and Cultural Center (VACC) construction project began in the September 2016 and foundation and basement construction is underway. Lastly, the stormwater Implementation Project has started the construction Phase. Actual installation of the new storm drain line below Hatteras St. will occur between roughly April and August of 2016.

Stay Informed In an Emergency

Los Angeles Valley College is now using Blackboard Connect for emergency notification service. This system makes it possible for the college to send emergency notifications to your work email, your office telephone, your mobile (cell) phone, and additional email addresses. In the event of an emergency, LAVC students, staff, faculty and others will be alerted in real-time.

Also please visit the LAVC Emergency Response Plan Information Page at www.lavc.edu/erp/ for information to help you and your students prepare for emergency situations.

Building Marshal Program

The Building Marshal is responsible for managing the evacuation of assigned building(s) and ensuring that all information regarding the status of their assigned evacuation area(s) have been reported to the LAVC Emergency Management Coordinator or Operations Section Chief.

Marshals will be provided with various emergency preparedness training. Help keep LAVC safe!!

If you want to volunteer, please contact

Is It Broken? Let Us Know

Keeping the facilities of Valley running in tip top shape takes everyone's participation. If you notice routine facilities related items that need attention such as broken fixtures, lights that are not functioning or non-emergency building repairs please report it by electronically filing a Work and Service Order (WSO) which is available through the LACCD Portal.

<https://myportal.laccd.edu:50001/irj/portal>

If you notice a facility related emergency such as, major water leaks, utility outages, sewer backups, building security, immediate safety hazard, vandalism, fallen trees, obstructed roads or sidewalks, gas odors, or any situation that is a major impact to campus

facilities/environment you should call:

- The Maintenance and Operations office at x2301 if the incident occurs between 7:00 AM and 4:30 PM Monday through Friday
- The Sheriff's Office at x2911 if the incident occurs between 4:30 PM and 7:00 AM Monday through Friday or on weekends and holidays.

Help Us Keep It Clean

Classrooms and trash never go together! Please remind students to use the trash and recycle bins to get rid of their unwanted rubbish. This will keep the classroom clean and give our custodial staff more time to focus on the deep down cleaning.

Don't Forget To Say Hi!!!

If you ever have any questions, comments (good or bad) or just want to say "Hi", please always feel free to stop by Administrative Services in person. Welcome back!!!
