

Construction Notification

Purpose: CN-06 - This notification serves to inform LAVC staff and faculty that Monarch Square areas are subject to closure to allow the installation of the new gas line that runs north-south through Monarch Square. The first area to be closed will be the area on the west side of the Campus Center. ADA accessibility will be maintained throughout the duration of the project. See the attached map for fencing and access.

Notification Issue Date: 3/1/2019
Project Name: Energy Infrastructure Improvements Project (EII)
