Associate Degree Programs

Los Angeles Valley College Graduation Requirements

III. **Residence Requirement:** (1) Completion of at least 12 units of credit in residence, (i.e., at Los Angeles Valley College) and (2) Attendance at the college during the semester in which the requirements are completed. Exceptions to the residence requirements for the associate degree may be made through the colleges' petition process when it determines that an injustice or undue hardship would be placed on the student.

When the major is offered at multiple colleges in the LACCD, the degree shall be conferred by the college where the student has taken the majority of the units in the major. When units are split equally among two or more colleges, the college identified in the student information system as the "home college" will award the degree.

Certificate Programs

Residency requirements: One fifth of the units required for a certificate must be taken at Los Angeles Valley College. When multiple colleges in the LACCD offer identical Certificates of Achievement, as defined by TOP code, the certificate shall be awarded by the college where the majority of the certificate units were taken. When units are split equally among the two or more colleges, the college identified in the student information system as the “home college” will award the certificate. The CSU GE Breadth Certificate of Achievement and the IGETC Certificate of Achievement are exempt from this requirement. The college that certifies completion of either of these plans may award the Certificate of Achievement to the student regardless of the number of units completed at the certifying college.

All courses applied to a certificate program must be completed with a grade of C or better, or a “P” if the course is taken on a “pass-no pass” basis, in all work attempted in the curriculum upon which the certificate of achievement is based.

Automatic Awarding of Certificates of Achievement:

Students who have completed the degree requirements for which there is a paired Certificate of Achievement or other State approved and transcribed certificate(s), will be awarded the certificate(s) automatically.

IV. General Competencies

C. Aligning LACCD competency requirements with CSU requirements

In order to ensure that local requirements are aligned with the California State University General Education Breadth (CSUGE Breadth) and Intersegmental General Education Transfer Curriculum (IGETC) patterns, all courses meeting the following requirements will be honored as satisfying the competency requirements for the Associate Degree.

- a.** Completion of a course that meets the California State University General Education Breadth (CSUGE Breadth) requirement in Area B4: Mathematics/Quantitative Reasoning and/or the Intersegmental General Education Transfer Curriculum (IGETC) in Area 2A: Mathematical Concepts and Quantitative Reasoning shall meet the Mathematics Competency.

Completion of a course that meets the California State University General Education Breadth (CSUGE Breadth) requirement in Area A2: Written Communication and/or the Intersegmental General Education Transfer Curriculum (IGETC) in Area 1A: English Composition shall meet the reading and written expression competency.
