## FINANCIAL AID ELIGIBILITY AND APPLICATION PROCESS

### What is Financial Aid?

The purpose of student financial aid is to provide financial assistance to students who, without such aid, may be unable to attend college. Although it is expected that students and parents will make a maximum effort to meet the cost of education, financial aid is available to fill the gap between family resources and their annual educational expenses. Financial aid is intended to supplement the family's existing income/financial resources and should not be depended upon as the sole means of income to support other non-educational expenses.

Financial aid is available from various sources such as federal and state governments, institutional, and community organizations, as well as individual donors. Financial aid can be awarded in the form of grants, waivers, loans, work-study, scholarships, or a combination of these.

### Who is eligible for Financial Aid?

To be considered for financial aid, students must meet the following minimum requirements:

- For federal aid eligibility, be a US citizen or an eligible non-citizen. An eligible non-citizen is a US permanent resident who has documentation from the Department of Homeland Security verifying that his/her stay in the US is for other than a temporary purpose.
- For state aid eligibility, be either a (1) US citizen or eligible non-citizen, or (2) be classified as an AB540 or AB1899 student by your college's Admissions & Records Office.
- Demonstrate financial need (for most programs).
- Have a valid high school diploma (as determined by the college Admissions & Records Office) or a recognized equivalent such as a General Education Development (GED) certificate, passed a high school proficiency examination, or completed a high school education in a home school setting. (Students, who were enrolled in a college or university prior to July 1, 2012 who do not meet this requirement should check with their Financial Aid Office for alternative qualifying options.)

- Be enrolled as a regular student in an eligible baccalaureate degree, associate degree, transfer program, or certificate of achievement program.
- Be making Satisfactory Academic Progress in an eligible program of study.
- Not be in default on any student loan such as Federal Perkins Loan, Federal Stafford Loans (subsidized and/or unsubsidized), Federal Direct Loans (subsidized and/or unsubsidized), or Supplemental Loan to Assist Students (SLS) at any college attended.
- Not owe an overpayment on a Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Academic Competitiveness Grant (ACG), SMART Grant, Iraq and Afghanistan Service Grant and Children of Fallen Heroes Scholarship.
- If a male, be registered with Selective Service (including California Dream Act applicants). Visit [www.sss.gov](http://www.sss.gov) for more details on who and when one must register.
- Have a valid Social Security Number (SSN) for federal aid eligibility (not required for California Dream Act Application applicants).
- Must have resolved all drug conviction issues.
- File a federal income tax return if required to do so.

### Student Dependency Status

If you meet one or more of the criteria below as of the date you submit your application, you are considered an INDEPENDENT student for financial aid purposes. Complete the Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA, for AB540 students) with your (and your spouse's, if applicable) income and asset information. If you do NOT meet any of the criteria below, you are a DEPENDENT student and must provide your and your parents' income and asset information on the FAFSA or CADAA.

### Dependency Criteria

- You were born before **January 1, 1998**.
- You are married.
- You will be enrolled in a master's or doctoral program (graduate or professional program beyond a bachelor's degree) in **2021-2022**.
- You are currently serving on active duty in the US Armed Forces for purposes other than training.
- You are a veteran of the US Armed Forces.
- You have or will have children who will receive more than half of their support from you between July 1, 2021 and June 30, 2022.
- You have dependents (other than your spouse or children) that live with you and receive more than half of their support from you now and through June 30, 2022.
- At any time since you turned age 13, both your parents were deceased, or you were in foster care, or you were a dependent/ward of the court.
- You are currently an emancipated minor or you were an emancipated minor as determined by a court in your state of legal residence.
- You are currently in a legal guardianship or you were in a legal guardianship by a court in your state of legal residence.
- At any time on or after July 1, 2020, your high school or school district homeless liaison determined that you

were an unaccompanied youth who is homeless or were self-supporting and at risk of being homeless.

- At any time on or after July 1, 2020, the director of an emergency shelter or transitional housing program funded by the US Department of Housing and Urban Development determined that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless.
- At any time on or after July 1, 2020 the director of a runaway or homeless youth basic center or transitional living program determined that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless.

The Financial Aid Office may require documentation showing you meet the criteria for being an INDEPENDENT student.

### Special Dependency Exceptions

Under federal and state laws, if you are a dependent student, you are required to provide parental information and signatures on your aid application. Under very limited conditions, you may be able to submit your application without parental information due to special circumstances. Examples of special circumstances include: your parents are incarcerated, or you left home due to an abusive family environment. Notify the Financial Aid Office if you feel that you have special circumstances.

If you believe you have a special circumstance and are unable to provide parental information, you will need to provide documentation to verify your situation. Written evidence may include court of law enforcement documents, letters from a school counselor, social worker, or clergy member, and other relevant data that explains your situation.

### How to Apply

We encourage all students to apply for financial aid online at [studentaid.gov](http://studentaid.gov) or at [caldreamact.org](http://caldreamact.org) (for AB540 students). Processing is fastest and most accurate when completing your application online. You may also apply using the myStudentAid app available on the Apple App store for (IOS) or Google Play (Android). If you want to request a paper application, you may print one from the websites above or you may contact the Federal Student Aid

Information Center at (800) 433-3243 (for the FAFSA) or the California Student Aid Commission at (888) 224-7268 (for the CADAA).

After the results of your FAFSA (or CADAA for AB540 students) are received by the college, you can view your financial aid status through the Los Angeles Community College District (LACCD) Student Information System (SIS) at [mycollege.laccd.edu](http://mycollege.laccd.edu).

Students applying for Federal Direct Loans, Federal PLUS Loans, Emergency Loans, or scholarships, must complete additional processes and forms. Not all colleges participate in all of these programs. The FAFSA and/or CADAA are not required for some scholarships and emergency loans.

Staff members are available to answer your questions and help you complete any of the financial aid forms.

### Deadlines

For Cal Grant Consideration, you must submit a FAFSA (or CADAA for AB540 students) and a verified Grade Point Average (GPA).

#### May 1, 2021

  - Verification Worksheets
  - Other documents as needed to verify your application or situation

Verification requirements apply to all federal aid programs and the state Cal Grant program.

## ENROLLMENT FEES AND NON-RESIDENT TUITION

### California Resident Tuition

The Admissions Office determines the residency status for all students. Effective Summer 2019, the enrollment fee for a California resident is \$46.00\* per unit. Enrollment fees may be waived for students who are eligible for a California College Promise Grant (CCPG) (formerly known as the Board of Governors (BOG) Fee Waiver).

(\* fees are subject to change)

### Assembly Bill 1899 Students

Victims of trafficking, domestic violence and other serious crimes may apply for and receive the California College Promise Grant (CCPG).

## Assembly Bill 540 Students

Assembly Bill 540 (AB540) allows qualified students to be exempt from paying out-of-state tuition at public colleges and universities in California. Contact your Admissions & Records Office to determine if you qualify under this classification.

## Non-Resident Students

The tuition fee for non-resident out-of-state student is \$225\* per unit and the capital outlay fee is \$26 per semester. **Non-resident students are not eligible for California College Promise Grant (CCPG), unless they meet eligibility for AB540 consideration.**

Please contact your campus Business Office for additional information and assistance.

(\* Tuition and fee rates are subject to change)

## California College Promise Grant [Formerly Board of Governors (BOG) Fee Waiver]

***We encourage all students to apply using the FAFSA or CADAA (for AB540 students) so that they will be considered for all available financial aid programs.***

The CCPG is offered by the California Community Colleges. Applicants are not required to be enrolled in a specific number of units or courses to receive the CCPG. The CCPG only waives enrollment fees and no other fees. Approval for the CCPG is district wide. Your academic standing within the LACCD may impact your ability to receive the CCPG. Since this is a waiver, there are no actual funds to disburse.

A student shall become ineligible for a California College Promise Grant if the student is placed on academic or progress probation, or any combination thereof, for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made. You may check with the Admissions and Records Office for the appeal process.

You are eligible to apply for the CCPG if you are:

- A California resident or are classified as an AB540 student **AND**
- You are enrolled in credit coursework

**YOU MAY QUALIFY FOR THE CCPG IF ANY OF THE FOLLOWING CATEGORIES APPLY TO YOU:**

### Method A: Recipient of Benefits

At the time of application, you are a recipient of benefits under the TANF/CalWORKs Program, Supplemental Security Income/State Supplementary Payment (SSI/SSP), or General Assistance Program (GA). Documented proof of benefits is required.

If you do not complete a FAFSA or CADAA you have the option of applying for the CCPG through your campus financial aid office.

### Method B: Income Standards

You and/or your family must meet the specified income standards by household size.

### Method C: Student Aid Applicant

You may be eligible if you have applied for financial aid via the FAFSA or CADAA (for AB540 students) and you have been determined to have sufficient financial need based on the information you have provided.

### Method D: Homeless Youth

You may be eligible if you are a homeless youth under the age of 25.

### Other Ways to Qualify for the CCPG

- You are eligible if you have Certification from the California Department of Veterans Affairs or the National Guard Adjutant General that you qualify for a Dependent's CCPG. The documentation must specify eligibility for the 2021-2022 academic year.
- If you are a dependent of deceased law enforcement/fire suppression personnel killed in the line of duty, you must show documentation from the public agency employer of record. The documentation must specify eligibility for the 2021-2022 academic year.
- If you are a recipient of the Congressional Medal of Honor or a child of a recipient, submit documentation from the Department of Veterans Affairs.
- If you are a dependent of a victim of the September 11, 2001 terrorist attacks, submit documentation from the California Victim Compensation and Government Claims Board.

### Registered Domestic Partnership

If you are in a Registered Domestic Partnership (RDP), you will be treated as an independent, married student to determine eligibility for the CCPG and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is

in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required from your parent's domestic partner. This is applicable to state aid only, not federal aid.

## GENERAL INFORMATION

### Enrollment and Aid Eligibility

You must designate one of the LACCD colleges as your Home School and be actively enrolled in at least one financial aid unit approved unit every semester in order to be processed for financial aid. Active enrollment means classes have started and you are actively attending classes. Enrollment requirements may vary by aid program and by campus. Please check with the Financial Aid Office at your Home Schools for details. Consult with your Financial Aid Office if you are planning to change your Home School.

### Audited Classes

Students cannot receive financial aid, including the CCPG, for enrollment in audited classes. No exceptions to this policy can be made.

### Enrollment at Other Colleges

Consortium Agreements are in effect for all colleges within the LACCD. If you are attending more than one college within the District in the same term, your enrollment status will be the sum total of all approved units in which you are enrolled throughout the District.

**Approved Units** are courses within a student's academic program. For students who have had an Extension Petition approved, Approved Units refer to the units/classes listed on their Student Educational Plan (submitted with their petition) that have been approved by the Financial Aid Office for financial aid eligibility at your Home School.

Please note that if you have an Extension Petition approved by your Financial Aid Office, you must be actively enrolled in at least one approved class at your Home School. If the classes you are enrolled in are not approved, the units will not be included in the calculation of your aid.

If you plan to enroll in courses outside of the LACCD and wish to have those courses count for enrollment and payment, you must complete a Consortium Agreement form. The institution outside of the LACCD must be an eligible institution in order for your home school to process the Consortium Agreement. **Please check with your Home School for the deadline to submit the form.**

### Summer Financial Aid

Your 2020-2021 or 2021-2022 **FAFSA/CADAA** can be used for financial aid for **Summer 2021**. For more information, check with your Financial Aid Office.

### Winter Financial Aid

The Winter session is considered part of the Fall semester for financial aid program purposes. Courses taken during the Winter session are defined as short-term courses. Winter session units count toward the total unit enrollment payment for the Fall semester. If you take a Winter course, you must complete the course in order to be eligible for disbursement. If you withdraw from the Winter course, you may be subject to an overpayment or Return to Title IV (R2T4) regulations.

### Tax Credits

**American Opportunity Tax Credit** – The American Opportunity Tax Credit is a tax credit for qualified education expenses for an eligible student during the tax year.

The tax credit is available to individuals whose modified adjusted gross income is \$90,000 or less, or \$180,000 or less for married couples filing a joint return.

**Lifetime Learning Credit** – Families may be able to claim up to \$2,000 for qualified education expenses. The maximum credit is determined on a per-taxpayer (family) basis, regardless of the number of postsecondary students in the

family. Students whose fees are covered by a fee waiver, scholarship, or grant would not be able to include their costs for tax credit calculation.

For more information on tax credit programs you should consult with your tax professional, the Internal Revenue Service (IRS) Publication 970 or the IRS website at [irs.gov](https://www.irs.gov).

## FEDERAL FINANCIAL AID PROGRAMS

### Federal Pell Grant

The Federal Pell Grant provides gift aid assistance to undergraduates who have not yet earned a baccalaureate or first professional degree and who demonstrate financial need. Awards are based on your Expected Family Contribution (EFC, as calculated by the results of your FAFSA) and enrollment status. The maximum annual award is **\$6,495**. Students have a maximum lifetime Pell eligibility of 600% (equivalent to 12 full-time semesters), where 100% is equal to two full-time semesters.

### Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG is a federal grant program designed to supplement other sources of financial aid for students with exceptional need. FSEOG awards are based on financial need and fund availability. A minimum enrollment in six Approved Units is required. Students must receive Pell Grant funds in order to receive FSEOG.

### Iraq and Afghanistan Service Grant

Students may be eligible to receive the Iraq and Afghanistan Grant if:

- They are not eligible for a Federal Pell Grant on the basis of their EFC, but they meet the remaining Federal Pell Grant eligibility requirements, and
- Their parent or guardian was a member of the US armed forces and died as a result of military service performed in Iraq or Afghanistan after the events of 9/11, and
- They were under 24 years old or enrolled in college

## Federal Work-Study

The Federal Work-Study Program (FWS) enables students to earn a portion of their financial aid award through part-time employment either on or off campus. To be eligible, a student must meet the eligibility requirements for federal financial aid and must maintain good academic standing while employed under the program. A minimum enrollment level may be required for FWS eligibility. Check with your Home School Financial Aid Office.

## Loans (Aid that you must pay back)

**A caution about student loans** – It takes time for a loan application to be processed by the school, lender, and/or the US Department of Education. Student loan funds are delivered to the student after enrollment and academic progress requirement have been verified. All federal loans require a minimum enrollment of six (6) Approved Active Units.

Loans are sources of financial assistance that allow you to spread the cost of education over time. Federal student loans are not automatically included in students' award packages. Students are not required to borrow a federal student loan.

Loans are serious legal obligations. They must be repaid. You are obligated to repay principal plus interest. We urge all first-time borrowers to spend time learning about the loan process and their responsibilities so that they can make informed choices about their education.

If you borrow federal student loans, you can track your loans through the National Student Loan Data System (NSLDS) website at [studentaid.gov](http://studentaid.gov).

## Federal Direct Loans

The Federal Direct Loans (subsidized and unsubsidized) are loans borrowed directly from the federal government which serves as the lender. The student's annual borrowing limit may vary based upon the following:

- The amount of unmet need after other financial assistance has been considered;
- The applicant's grade level in their academic program;
- The applicant's current level of indebtedness;
- The applicant's previous delinquent or defaulted loan history

Fees may be charged by the US Department of Education (ED) and deducted from each loan disbursement.

Interest rates are set by the US Department of Education (ED) and are fixed rates for the term of the loan.

## Federal Direct Loans (subsidized)

Student must complete the FAFSA and demonstrate financial need according to the federal formula in order to be eligible for subsidized direct loans. Under this program, the federal government will pay the interest on behalf of qualified borrowers for as long as the borrower is enrolled at least half-time in a degree-seeking program.

Effective July 1, 2013, eligibility for subsidized Direct loans is limited to 150% of a student's program. For example, if you are pursuing an associate degree (2-year program) your eligibility for a subsidized loan will be limited to three (3) years. Students must also maintain satisfactory academic progress towards completing their program requirements.

Fees may be charged by the US Department of Education and deducted from each loan disbursement. Interest may be charged during the 6-months grace period, after a student drops below half-time, completes their educational program, or withdraws from college.

## Federal Direct Loans (unsubsidized)

Eligibility for the Unsubsidized Direct Loan is not based on a family's demonstrated need. The US Department of Education is the lender under this program. The government does not pay the interest on behalf of borrowers under the Unsubsidized Direct Loan Program. The student borrower can choose either to make periodic payments of the interest or to have the interest added back into the principal of each loan.

## Federal Direct PLUS Loan

A creditworthy parent of a dependent undergraduate can apply for Federal Direct PLUS loan. Federal Direct PLUS loans are not based on demonstrated need and may be used to replace all or portions of the calculated family contribution for students who completed a FAFSA.

Not all colleges participate in PLUS loans. *Contact the Financial Aid Office to learn about loan programs that are offered at your home school and details about interest rates, fees, repayment terms, etc.*

## Master Promissory Notes

Before you receive a Federal Direct Loan, you will need to sign a Master Promissory Note (MPN) which is your legally binding promise to repay the loan funds you received. The college will not disburse your Federal Direct Loan until your MPN has been signed/e-signed and approved by the US Department of Education. Students can complete their MPN online at [studentaid.gov](http://studentaid.gov).

## Mandatory Loan Counseling

- **ENTRANCE LOAN COUNSELING FOR FIRST-TIME BORROWERS** – All first-time Federal Direct Loan borrowers must complete loan entrance counseling. Entrance counseling for direct loans can be completed online at [studentaid.gov](http://studentaid.gov).

Eligible students may receive up to \$5,000 per academic year.

## Chafee Grant Satisfactory Academic Progress (SAP) Standards

A student who loses eligibility may appeal the loss of the Chafee grant during any subsequent term following the loss of eligibility. A Chafee Grant student will receive a written notice of the process for appealing the loss of a Chafee grant.

- A Chafee Grant recipient will be automatically reinstated for financial aid eligibility if a student's one of the following applies.
  - The student achieves either a 2.0 GPA during the previous term or a cumulative GPA of 2.0.
  - The student demonstrates the existence of an extenuating circumstance that impeded successful course completion in the past but that has since been addressed such that the student is likely to demonstrate satisfactory academic progress in the future.
  - The student provides evidence of engagement with a supportive program, either on or off campus that is assisting the student to make continued academic progress.

If a Chafee recipient student subsequently fails to meet SAP standards for a third consecutive semester (or equivalent) the student must meet with an appropriate college staff member to update their plan in order to receive their remaining Chafee grant funds. A student who fails to update their plan or who fails to meet SAP for a fourth semester (or equivalent) loses eligibility for subsequent awards but may appeal to retain eligibility.

A student who loses Chafee eligibility due to SAP who withdraws for one or more terms regains eligibility for a Chafee grant upon reenrollment.

## FINANCIAL AID PROCESS

### Determining Financial Need

Most financial aid awards are based on demonstrated financial need, which is the difference between the Cost of Attendance (COA) and the Expected Family Contribution (EFC). EFC is the amount that the government believes you and your family can be reasonably expected to contribute towards your college costs this year and is based on your FAFSA **(or CADAA for AB540 students) information.**

$$\text{COA} - \text{EFC} = \text{Unmet Financial Need}$$

### Cost of Attendance (COA)

Standardized budgets (COA) have been established by each college. Students with similar circumstances will receive the same allowances for tuition and fees, room and board, books and supplies, transportation, and personal expenses. Adjustments may be made on an exception basis to a student's COA for certain documented expenses. For

example, if you are paying for child care during the academic year, please contact your college's Financial Aid Office to request an adjustment .

Estimated 2021-2022 Cost of Attendance*				
	Living at Home		Living Away from Home	
	9 mos.	12 mos.	9 mos.	12 mos.
Fees	\$ 1,238	\$ 1,854	\$ 1,238	\$ 1,854
Books & Supplies	\$ 1,125	\$ 1,688	\$ 1,125	\$ 1,688
Room & Board	\$ 9,081	\$12,108	\$17,253	\$23,004
Transportation	\$ 999	\$ 1,332	\$ 918	\$ 1,224
Personal Expenses	\$ 3,276	\$ 4,368	\$ 3,843	\$ 5,124
Dependent Care	\$	\$	\$ 1,000	\$ 1,000
<b>TOTAL</b>	<b>\$15,719</b>	<b>\$21,350</b>	<b>\$25,377</b>	<b>\$33,894</b>

Non-resident tuition is added to fees based on the student's residency

### How Financial Aid is Packaged

Once the student's financial aid eligibility is established, a "package" of aid is provided which may be a combination of grants, fee waivers, work-study, and loan funds.

Grant eligibility is based on the number of Approved Active Units a student is enrolled in at the time of disbursement. Full-time is considered 12 or more units per semester; three-quarter time is considered 9-11½ units; half-time is considered 6-8½ units per semester; less-than half-time is 1-5½ units per semester.

Federal Pell Grants are scheduled for payment twice a semester. FSEOG, SSCG and Cal Grants are scheduled for payment once per semester. Federal Work-Study is paid twice a month based on payroll information. Loans are disbursed twice per loan period (period of enrollment for which your loan covers).

### The Financial Aid Award

Once a student's financial aid package is processed, awards are posted to the Student Information System (SIS) for viewing. Most financial aid programs offered in the LACCD

do not require the student to accept the awards. Grants, scholarships, and fee waivers are assumed to be accepted by the student and will be appropriately disbursed during the semesters for which the student enrolls and is eligible. Student loans and Federal Work Study have additional processes beyond the packaging and posting of the awards in the SIS, so students should contact their college Financial Aid Office for additional information on these types of aid programs.

Students may receive email notifications of revisions to their original Award Offer throughout the academic year. The revisions may reflect additional fees or allowances added to the Cost of Attendance, educational resources which must be accounted for, semesters of enrollment (partial year vs full year and vice versa) changes, and additions or deletions of specific awards. Award Offers can be viewed online through the LACCD SIS by clicking on financial aid & disbursement tile.

### Special Circumstances

In certain cases, a family's situation can change because of:

- Death in the family
- Separation or divorce
- Loss of employment or other income
- Loss of non-taxable income or benefits

If you encounter circumstances similar to the ones above, contact your Financial Aid Office.

### Financial Aid Refund/Disbursement

Disbursement dates and deadlines are determined by Federal, State, District and/or institutional regulations and policies.

Students who are new to the LACCD will receive information by mail and e-mail from BankMobile regarding the process to select their refund preference. For more information about BankMobile, visit this link: <http://bankmobiledisbursements.com/refundchoices/>.

AB540 students who currently have an open bank account or are eligible to open an account will receive their funds electronically via their selected refund preference with BankMobile. All others will receive their refunds by paper check.

It is critical that students update their address on file with the Admissions & Records Office to ensure receipt of their Refund Selection Kit. If you have not received your Refund Selection Kit you should contact your college Business Office.

Disbursements will be adjusted if enrollment is less than full-time. Supplemental disbursements occur throughout the academic year. If your enrollment status has increased and you are due an additional refund, it will be deposited to your account. Disbursements will be adjusted if enrollment increases or decreases. Disbursement for late-starting classes cannot be issued until the class begins. After the second disbursement date of each semester, no further award adjustments can be made based on late enrollment. (Exception: Short-term classes that start after the second disbursement date and Winter classes.)\*

Students are encouraged to log-on to the Student Information System (SIS) at [mycollege.laccd.edu](http://mycollege.laccd.edu) to view their disbursement information. Please note that if you have an approved Extension Petition, you must be enrolled in approved courses from your petition to receive disbursement.

*\* Courses taken during the Winter session are defined as short-term courses. Students must complete their short-term courses that start after the second disbursement date to be eligible for disbursement.*

## Change of Enrollment Status

Colleges must review disbursement of funds to students each enrollment period to determine if students have received overpayments. If you did not attend any of your classes prior to the first day of instruction, and were dropped by the instructor after you already received financial aid funds, you will have to repay all of the funds you received. If you received a disbursement and then drop units, you may be subject to repayment of some or all of the funds you received.

**Example:** You were enrolled in 12 units (full-time) at the beginning of the semester and received your first disbursement for \$1,000. You then drop 9 units and remain in 3 units (less-than half-time). The disbursement for less-than half-time enrollment is \$432. You are overpaid \$568 and you must repay this amount before receiving any future financial aid.

## Return to Title IV (R2T4)

Students who receive federal financial aid and then withdraw from ALL approved classes at their home school may have to repay some or all of the federal funds they received. This also applies to students enrolled at more than one campus.

A student's eligibility for financial aid is based upon enrollment. The Higher Education Amendment of 1998 governs the Return to Title IV Funds Policy for a student who completely withdraws from a period of enrollment (i.e., semester). A student who receives federal financial aid and then withdraws to less than one financial aid eligible unit is considered withdrawn for R2T4 purposes and may have to repay some or all of the federal funds received.

R2T4 rules indicate that during the initial 60% of the semester a student "earns" aid in direct proportion to his/her enrollment. The percentage of time the student remains enrolled is the percentage of aid for that period of enrollment. A student who remains enrolled beyond the 60% point of the semester earns all aid disbursed for the period. "Unearned" aid is the amount of federal financial aid disbursed that exceeds the amount the student has earned. Unearned aid other than Federal Work-Study may be subject to repayment.

If R2T4 calculations determine that a student owes a payment, the student will be notified by email. The student has 45 calendar days from the date of the notification to repay. A hold will be placed on the student's academic and financial aid records. The hold will prevent the student from receiving college services and will jeopardize future financial aid eligibility at all institutions. Unpaid overpayments will be reported to the US Department of Education for collection.

Students should contact the Financial Aid Office before withdrawing from all of their classes to understand the implications of their actions. Please refer to the college schedule of classes or the college catalog for the policy regarding the refunding of enrollment fees and non-resident tuition refund.

Students who withdraw prior to receiving the disbursement may be eligible for a post withdrawal disbursement.

## Student Responsibilities

Students must take responsibilities for:

1. Checking their email at [mycollege.laccd.edu](http://mycollege.laccd.edu) on a regular basis. All official communication will be done through this website.
2. Submitting all financial aid applications and requested documents by specified deadlines.
3. Having a valid Social Security Number (SSN) on file in the Admissions & Records Office for the purpose of processing and reporting federal aid and most state aid (this does not apply to California Dream Act applicants).
4. Enrolling in an eligible program which is defined as a Certificate of Achievement, an associate degree (AA/AS), baccalaureate degree, a two-year academic transfer program that is acceptable for full credit toward a baccalaureate degree. Students must declare an eligible educational goal and major.
5. Maintaining Satisfactory Academic Progress (SAP) standards.
6. Completing all financial aid forms ACCURATELY AND COMPLETELY. If this is not done, aid could be delayed. Errors must be corrected before any financial aid can be disbursed.
7. Reading and understanding all financial aid forms and information. We advise students to retain copies of all documents submitted.
8. Notifying the appropriate entity (college, lender, California Student Aid Commission, US Department of Education, etc.) of changes in your name, address, school enrollment status, or transfer to another college.
9. Dropping or withdrawing from classes for which you are no longer attending and actively participating.
10. Repaying financial aid funds if determined to be ineligible to receive funds for any reason (i.e. Return to Title IV, overpayments, over-awards).
11. Providing accurate information. Intentional misreporting of information on application forms for financial aid is a violation of the law and is considered a criminal offense subject to penalties under the US Criminal Code, and the denial of the student's application. Additionally, regulations require that all cases of suspected fraud emanating from misrepresentation be reported to the US Department of Education Office of Inspector General (OIG).

## Satisfactory Academic Program (SAP) Policy

### General Information

In accordance with the Higher Education Act of 1965, as amended, the Los Angeles Community College District (LACCD) established the following standards of Satisfactory Academic Progress (SAP). These standards apply to all students who apply for and receive financial aid from the programs listed below.

- Federal Pell Grant
- Iraq and Afghanistan Service Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study (FWS)
- Federal Direct (student) and PLUS (parent) Loan
- Student Success Completion Grant (SSCG)
- California Grant (A, B and C)
- California National Guard Education Assistance Award Program (CNG EAAP)

Current and previous coursework earned at any college within the LACCD will be reviewed for compliance with the standards put forth in this policy. Units reported on transcripts submitted to Admissions & Records Offices in the LACCD may be evaluated for SAP purposes.

### Consortium Courses

- All classes throughout the LACCD will be included when reviewing satisfactory academic progress.
- For students aided under a Consortium Agreement with colleges outside the LACCD, consortium class units will be counted during satisfactory academic progress review.

### Transfer Units

Transfer units from institutions outside the LACCD **may be** counted for SAP standing.

## General Requirements

Students receiving financial aid must be enrolled in an eligible program. An eligible program is defined as:

- A Certificate of Achievement, or
- An associate degree (AA or AS), or
- A two-year academic transfer program that is acceptable for full credit toward a bachelor's degree, or
- Bachelor's Degree

## Satisfactory Academic Progress Standards

To meet satisfactory academic progress standards, students must:

- Maintain a 2.0 or higher cumulative GPA (Grade Point Average)
- Successfully complete a minimum of 66.5% of cumulative units attempted:
  - Entries recorded in the student's academic record as Fail (F), Incomplete (INC), No Pass (NP), No Credit (NC or NCR), Excused withdrawal (EW), and/or Withdrawal (W) are not considered to be successfully completed and must be less than 33% of the cumulative units attempted.
- Have attempted less than 150% of the number of units required of the student's academic program.
  - Remedial ESL and other remedial classes classified as "Basic Skills" are excluded from the unit limit when determining attempted units.

Students who have already earned an associate or higher degree outside the LACCD (excluding students enrolled under the BA/BS Dental Hygiene program at West Los Angeles College) will not need to follow the petition process.

- In Progress (IP) grades count as attempted units in the maximum time frame only. They do not affect cumulative grade point average in the qualitative measure nor are they included as completed units in the quantitative measure.

## Application of Standards

- Satisfactory Academic Progress for financial aid applicants will be determined at the end of each payment period/semester.
- Students who were initially in good standing but now have a cumulative GPA of less than 2.0 and/or their successful completion rate is less than 66.5% will receive Warning notifications by email but remain eligible for the following term of enrollment in the LACCD.
- Students will be disqualified if they have one or more of the following academic deficiencies:
  - Total units attempted (excluding remedial ESL and other remedial classes) are equal to or greater than 150% of the normal length of their academic program.
  - Cumulative GPA is less than 2.0 following a semester for which the student received a Warning Notification.
  - Cumulative successful completion is less than 66.5% following a semester for which the student received a Warning Notification.
- Students who are disqualified from financial aid will be notified by email and receive information regarding the petition process.
- Student with extenuating circumstances are encouraged to complete the petition process at their Home School to regain financial aid eligibility. Please check with our college for the submission deadline.
- A student who has been disqualified at **any** college in the LACCD is disqualified at all colleges within the LACCD.

## Maximum Time Length

Students need to complete their objective before reaching the 150% limit. Exceptions may be made when the requirements of a student's objective cause the student to exceed the maximum time limit.

The table below shows the normal completion time and maximum time for certificate programs of varying lengths.

Units for a Certificate	Normal length	Maximum Length
16 to 24	2 semesters	3 semesters
25 to 36	3 semesters	5 semesters
37 to 48	4 semesters	6 semesters

Summer and Winter terms are included in the evaluation of Satisfactory Academic Progress standards. Summer is considered a separate semester for evaluation purposes. Winter, as it is combined with the Fall semester for disbursement purposes, will be included with the Fall semester for SAP evaluation purposes.

## Fraud

A student who attempts to obtain financial aid by fraudulent means will be suspended from financial aid for unsatisfactory conduct. The college will report such instances to local law enforcement agencies, to the California Student Aid Commission, and to the US Department of Education Office of Inspector General. Restitution of any financial aid received in such manner will be required.

# AWARD AND REFUND INFORMATION

## Understanding Your Award Summary

To view your Award Summary, log in to the Student Information System (SIS) at [mycollege.laccd.edu](http://mycollege.laccd.edu). Your award package was developed according to federal, state, Los Angeles Community College District (LACCD) and institutional regulations to help meet your financial need for the 2021-22 academic year. All awards depend on available funds and are initially based on full-time enrollment. The Financial Aid Office reserves the right to modify and aid commitments at any time due to changes in the student's financial status, change in enrollment, changes in the availability of funds, or changes in federal and state laws, LACCD or institutional regulations and/or policies.

If there is a change in your eligibility, it will be reflected on the Student Information System at [mycollege.laccd.edu](http://mycollege.laccd.edu).

All students are responsible for keeping track of their financial aid file and awards through the LACCD Student Information System (SIS).

Financial aid consists of grants, waivers, work-study, scholarships, and loans to help meet your educational expenses. You may accept or decline all or part of your financial aid award offer. However, if you decline an award, a substitute may not be available. Financial aid is considered supplemental to the family's resources, student earnings, and assistance received from to other sources. **Applicants are reminded that they should not expect financial aid to meet basic living costs. Financial aid is intended to pay for education-related expenses during the academic year.**

Please note that there are certain programs that require enrollment of at least half-time (six approve units).

If your Award Summary includes Federal Work Study, check with the Financial Aid Office for deadlines to accept or decline the award(s).

## Determining Your Financial Need

### *How are Need and Expected Family Contribution (EFC) Determined?*

Most financial aid awards are based on demonstrated financial need, which is the difference between the Cost of Attendance (COA) and the Expected Family Contribution (EFC).  $COA - EFC = \text{Need}$ . Your EFC is determined from the information you reported on the Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA). All awards are subject to availability of funds.

### *How is Cost of Attendance Established?*

Standardized budgets (COA) have been established by each college. Students with similar circumstances will receive the same allowances for tuitions and fees, room and board, books, supplies, transportations, and personal expenses. Adjustments may be made on an exception basis to a student's COA for certain documented expenses. For example, if you are paying for child care during the academic year, please contact your college's Financial Aid Office to request an adjustment.

### *How is Financial Aid Awarded?*

Your financial aid eligibility is determined using Federal Methodology (for FAFSA applicants). Awards can consist of a combination of grants, waivers, work-study, scholarships and/or loans.

Use the Los Angeles Community College District (LACCD) Student Information System (SIS)

## SAMPLE COLLEGE FINANCING PLAN

### Estimated Financial Aid Budget

This figure (also known as your Cost of Attendance) is the amount we estimate it will cost you to attend college for **2021-2022** academic year, based on full-time enrollment. The COA includes tuition and fees, books and supplies, room and board, transportation, and personal expenses

### Resources

- Expected Family Contribution (EFC) – this is the amount the federal government expects you and/or your family can contribute to the costs of attending college.
- Total Aid – This figure totals all the financial aid programs listed in the Financial Aid Award section.

### Remaining Need

This is the difference between your Cost of Attendance less any family contribution (EFC) and any aid offers we've made to you. Although we try to minimize your remaining need, you may need to utilize other resources to meet any costs not met through financial aid or family resources.

### Financial Aid Awards

This section lists all the financial aid programs you are eligible to receive.

### Over Award

If the total amount of your financial aid exceeds Your Cost of Attendance or Estimated Need resulting in a negative Remaining Need, we may need to adjust your financial aid awards. Certain federal and state programs to require us to adjust awards to eliminate over awarding. You may be required to repay any over award.

### Enrollment Requirements

To receive financial aid funds, students must be enrolled in coursework required for their educational goal and major. Furthermore, some financial aid programs require students to be enrolled at least half-time (six Approved Units)

### Repeated Coursework

A student cannot receive a financial aid payment more than once for a course that has already been passed. A passing grade is anything other than W, EW, **MW**, NP, and F. This does not affect the California College Promise Grant (CCPG, fee waiver).
