

College Effectiveness Report

LAVC

Presented to the
Los Angeles Community College District
Board of Trustees

Institutional Effectiveness and Student Success
Committee

April 29, 2015

Plan Alignment

- Teaching & Learning for Success
- Access & Preparation for Success
- Organizational Effectiveness
- Resources & Collaboration

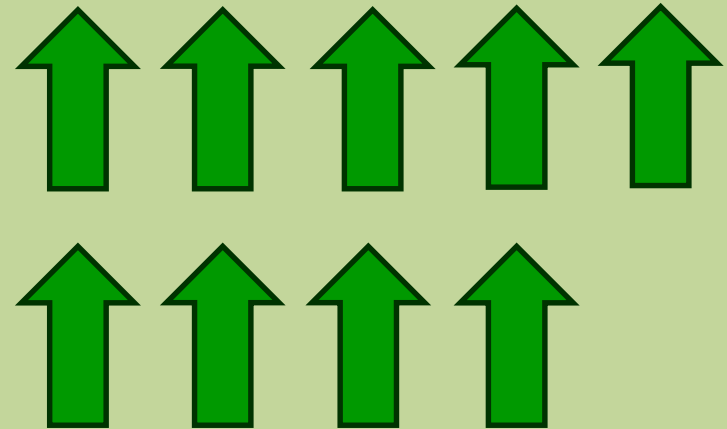

LACCD serves Los Angeles Valley College as a leader in student success, with pathways for certificates, degrees, transfer, and continuing education. We enable students to advance their education, personal development, and quality of life, empowering them to be productive and engaged members of the global community.

- Foster Student Completion
- Increase Equity
- Maximize Institutional Effectiveness

LAVC Educational Master Plan Goals

Goal 1: Foster student completion by supporting a learner-centered environment.

Goal 2: Increase equity by identifying gaps in achieving outcomes (transfer, associate degree, certificate, etc.) and implement effective models and programming to minimize gaps.

Goal 3: Maximize institutional effectiveness through evaluation of environmental, human, physical, technological and financial resources.

- Preparing All Students for Success (AtD) Institutionalization
 - SSSP Implementation
 - Equity Implementation
 - Institutional Standards
 - CCCCO Institutional Goals
 - Outcomes Assessment
 - Program Review & Evaluation
 - Enrollment Plan Draft
 - Bond Construction Projects
-
