VCAT Exam Information
The VCAT, or the Veterinary College Admission Test is administered every January, October and November, and is a test that helps evaluate the knowledge and achievement of the student who is applying to the veterinary colleges. The VCAT is set up to test whether or not a student is ready for the educational workload that graduate school has to offer. Different universities use the results of the VCAT in many different ways. VCAT test results are only one of the factors used to determine whether or not a student will be accepted into the competitive veterinary colleges.
