## Spring Welcome Back Seminar – 2.13.2013

On February 13, Myron H. Dembo, Ph.D Emeritus Professor of Educational Psychology University of Southern California came back to our campus and spoke on "Improving your Skills on Reading Textbooks and Taking Notes". Our students really enjoyed the one he gave in September and thus this one also was very well attended. Students who used his techniques said their grades improved and they would like to have him again.
