

## SUMMER 2015

### **TRIO ORIENTATION & DRUM CIRCLE- 08.21.15**

Trio welcomed our new students with an orientation which included information about the services offered by our program. We also informed students about the commitments and responsibilities they need to complete to succeed and stay active in Trio. The orientation was presented by Barbara Schneider, Director, Gabriela Caballero, Counselor and Adriana Sanchez , Program Assistant.

Roberto Gutierrez, LAVC Manufacturing Academy, conducted our second creative and interactive teambuilding drum circle activity. This incorporated many personal development skills such as critical thinking, teambuilding, conflict resolution, effective communication and active listening techniques.
