

SUMMER 2016

Library Tour - 06.29.2016

Students had the opportunity to learn and gain useful information about the resources the library offers and had a chance to tour our campus library.

Student Success Workshop - 07.6.2016

This workshop was conducted by our TRIO Counselor. She focused on certain subjects to help students reach their current goals. Important points covered were: What is Academic/Probation? How to improve your G.P.A, Campus Resources Steps for academic Success, Getting back on track, Avoid losing your registration priority .

Career Exploration - 7.13.2016

Trio students had the chance to explore options for prospective majors they had in mind. Gabriela Caballero led a very interesting workshop covering topic such as: Important information about major selection. Addressed the fears of transferring to a four year university without declaring a major. Students had the opportunity to ask questions regarding the changing of majors. Including How many times can you change your major? Is it important to declare you major?

Summer Bridge/Drum Circle w/ Roberto Gutierrez – 08.19.2016

The Summer Bridge Program is a, once a year, invitation only, daylong event offered by the TRiO Program. The purpose of the summer bridge program is to help prepare TRiO students for the fall semester to come. We strongly recommend that you take advantage of this opportunity to attend this invitation only event.

Roberto Gutierrez, LAVC Manufacturing Academy, conducted a creative and interactive teambuilding drum circle activity. This incorporated many personal development skills such as critical thinking, teambuilding, conflict resolution, effective communication and active listening techniques.
