

WINTER 2016

Job Search Workshop- 01.12.2016

Students gained useful information about the job search process. The workshop was held by our program counselor, Gabriela Caballero. She gave the students efficient tools; Job Search Strategies, Informational Interviewing, Networking, Marketing tools and other resources they can use in the work field.

Resume Workshop- 01.28.2016

This workshop allowed students to bring their current resumes to implement useful tools that will make their resume appear more professional. They gained important information about cover letter formats and online resources to help them promote their work experiences for future employers.
