- 3.** I understand that if I am accepted into TAP/Honors, I need to participate in TAP/Honors for at least one academic year (a Fall and Spring semester) prior to transfer and complete 3 – 6 Honors courses (minimum 15 units) depending upon my particular TAP Completion Plan. At least two Honors courses (minimum 6 honors units) must be completed by the end of the Fall semester prior to my transferring. I must achieve a 3.25 UC transferable GPA or higher (by the end of Fall semester prior to transfer) in order to receive the TAP/Honors designation on my transcript and to be TAP certified for transfer. TAP certification requires an appointment with an honors counselor at the time of application to transfer. I understand that I must keep my contact information, especially my email address current as this will be my primary means of contact.
- Furthermore, I certify that I am a first-time college student with no previous Bachelor's Degree or higher.
