LAVC has forged a special transfer partnership with UCLA to provide Valley students with mentoring on our campus and special programing at UCLA. (Please see the attached flyer for more information about UCLA CCCP Scholars Program at LAVC).

VI. NEW POLICY for TAP/Honors CONTRACTS

Starting in Spring 2020, TAP/Honors contracts will not be permitted for courses offered as dedicated “All-Honors” sections during that same term. See the TAP Curriculum webpage for the most recent two-year plan for upcoming honors course offerings. Dedicated sections are able to offer an Honors experience that mirrors the academic work at four-year schools. Contracts should be used to bridge any gaps during the program, so please plan your courses carefully. The Fall 19 deadline for full-term class contracts was September 27. Late start contracts were accepted through October 25, 2019 (NO exceptions).

Finally, keep in mind the contract limits:

Students required to take 18 honors units for TAP are now limited to three contracts; students required to take 15 honors units for TAP are now limited to two contracts.
